SECTION II: SECURITY RESPONSIBILITY AGREEMENT

- I will report the theft or loss of my Airport ID Badge immediately to Airport Security.
- I will immediately report any security violation I witness to Airport Security or Airport Police.

SECTION III: EMPLOYEE – PRIVACY ACT NOTICE

Purpose: The Department of Homeland Security (DHS) will use the information to conduct a security threat assessment. DHS will also maintain a national, centralized revocation database of individuals who have had airport- or aircraft operator- issued identification media revoked for noncompliance with aviation security requirements. DHS has established a process to allow an individual whose name is mistakenly entered into the database to correct the record and have the individual's name expunged from the database. If an individual who is listed in the centralized database wishes to pursue expungement due to mistaken identity, the individual must send an email to TSA at Aviation.workers@tsa.dhs.gov.

Routine Uses: In addition to those disclosures generally permitted under 5 U.S.C. § 552a(b) of the Privacy Act, all or a portion of the records or information contained in this system may be disclosed outside DHS as a routine use pursuant to 5 U.S.C. § 552a(b)(3) including with third parties during the course of a security threat assessment, employment investigation, or adjudication of a waiver or appeal request to the extent necessary to obtain information pertinent to the assessment, investigation, or adjudication of your application or in accordance with the routine uses identified in the TSA system of records notice (SORN) DHS/TSA 002, Transportation Security Threat Assessment System.

Disclosure: Pursuant to § 1934(c) of the FAA Reauthorization Act of 2018, TSA is required to collect your SSN on applications for Airport credentials. For applications, failure to provide this information will result in denial of a credential. For other aviation credentials, although furnishing your SSN is voluntary, if you do not provide the information requested, DHS may be unable to complete your security threat assessment. I understand that any unanswered questions or incomplete information on this application will cause it to be rejected. The information I have provided is true, complete, and correct to the best of my knowledge and belief and is provided in good faith. I understand that a knowing and willful false statement can be punished by fine or imprisonment or both. (See Section 1001 of Title 18 of the United States Code). I understand the Airport will suspend the unescorted access privileges of anyone with an outstanding arrest warrant. I agree to adhere to all Airport Security rules and procedures and not violate any Federal Regulation or local Ordinances and I acknowledge that I understand the Security responsibilities under 49 CFR 1540.105(a). I understand that failure to comply with any of these rules is a security violation and may result in an Administrative Penalty and/or TSA civil penalty.

SECTION IV: AUTHORIZED SIGNER – P.V. LICENSE RENEWAL AUTHORIZATION

I understand this application must be completed and reviewed prior to authorizing it. I affirm that all information on this application is correct and that sufficient administrative records regarding the employment and/or reference required for compliance are available for review by the Airport Authority and maintained by my company as a matter of record. I have made my employees aware of the Airport Authority's rules and regulations and acknowledge responsibility for any administrative penalties levied against my Company, which may be caused by the failure of one of my employees found in violation of the taxicab contractual agreement, Airport authority Rules and regulations and the DTW Security Program. I understand that failure to comply with the requirements of this section will result in the termination of my authorizing authority.
