

Community Organization Partnership Application Form

Partnership opportunities will be considered and reviewed thoroughly to determine the possibility of starting a program with the Wayne County Airport Authority. Please complete this form and send it to external.affairs@wcaa.us for consideration. Thank you!

- 1. Programs proposed by organizations wishing to partner with WCAA must have characteristics that align with at least two (2) of the Airport Authority's Community Outreach Purpose Pillars below: Please tell us about the proposed program and the characteristic(s) that align with the Airport Authority's Community Outreach Purpose Pillars. If partnering with an airport stakeholder or tenant, please provide company/business name.**

Community Outreach Purpose Pillars

- Using education to show the value of air transportation and to showcase the many career options WCAA and the aviation industry have to offer
- Supporting and working with members of the disability community to encourage travel and enhance the airport experience
- Supporting an airport stakeholder, airport tenant, or community partner special event
- Enhancing the travel experience for passengers
- Promoting the goodwill of the Airport Authority

- 2. Please tell us about your organization, and why you think a partnership would be beneficial to the Airport Authority.**

- 3. Please explain any financial or operational support required from the Airport Authority to run the program.**
