

DETROIT METRO • WILLOW RUN
WAYNE COUNTY AIRPORT AUTHORITY

MEMO

TO: All WCAA Tenant Concessions (Retail / Food & Beverage)

FROM: Geoff Nelson, P.E., C.M.
Senior Project Engineer
Construction & Alteration Permits
10500 Rogell Drive, #602
Detroit, MI 48242
(734) 247-4617

DATE: May 26, 2020

SUBJECT: WCAA Tenant Security Camera Requirements

Concession Tenant Security Cameras: The Airport Authority requires all Concessionaires to install a camera with a view of the store entrance that can be randomly monitored by the Airport Authority. The Airport recommends one of the following IP based camera options or an approved alternative:

IP Fixed Camera:

VERINT S5120FDW-DN (Note: While this is the exterior option, this is the Airport Authority's need for internal use as well)

IP PTZ Camera:

VERINT S5620PTZ (Note: Indoor version, which essentially means "no heater or sunshield" on this particular camera)

The camera(s) shall be installed by the Concessionaire. The equipment, installation, and maintenance costs will be the responsibility of the Concessionaire. The Concessionaire shall run cable to the nearest SSR Room with available WCAA Network capability, leaving 15 feet of coiled cable for future connection to the Airport's Closed Circuit Television system. Confirm location with the WCAA Technology Services and WCAA Airport Security.

Camera mounting options will be evaluated by the WCAA for each location based on available real estate and views.
